35 Years of Restless Dance Theatre

Since 1991, our foundation classes have been running in the city, and we are now expanding across South Australia. As you know, our classes provide a social, recreational and creative space where people come together to explore, grow and have fun.

As we celebrate this milestone, we're inviting our community to help make dance accessible to more people.

By purchasing a pair of Restless socks for \$25, or making a donation of your choice, you can make a meaningful difference to someone's future.

\$25 = One pair of Restless socks + support for accessible dance opportunities

Dance changes lives. Thank you for helping us share that opportunity with more people.
